

Life Empowered.

Group Whole Life Insurance at a Glance

Consider the advantages:

Group Whole Life Insurance from Mass Mutual for PHBA members provides coverage at a set premium, builds cash value over time you can access¹ and pays a death benefit to your loved ones. Group Whole Life Insurance may be easier and more affordable than you think.

Provides guarantees:

- Guaranteed death benefit
- Guaranteed level premiums
- Guaranteed cash-value accumulation

Dividend eligible²

MassMutual whole life certificate owners are eligible to receive dividends. During enrollment, you'll have the opportunity to select the dividend option that fits you best. Options include:

- Cash
- Dividend accumulations
- Paid-up additional insurance

Read more about these dividend options when you enroll. While dividends are not guaranteed, MassMutual® has paid them to eligible participating policy and certificate owners every year since 1869.

Portable, lifelong coverage

You own the certificate along with the accumulated cash values and you can take it with you even if you terminate your PHBA membership. Additionally, if you terminate your membership and take your certificate with you, you can change your dividend option and choose to have your dividend payments reduce your premiums.

Tax advantages

Whole life insurance policies offer a combination of valuable tax advantages, including:

- Generally income-tax-free death benefit
- Tax-deferred cash-value growth

So how much does it cost for a tobacco-free person to be covered with \$25,000 worth of MassMutual Group Whole Life Insurance:

Age	25	45	55
Cost per week*	\$4.27	\$9.98	\$17.08
Guaranteed cash value at age 65	\$10,120	\$7,363	\$4,400

* This is a hypothetical example only and is not binding. Additional policy features, or riders, are not included in the examples above and may be available at an additional cost. Rates may vary based on age, tobacco status and state. Rates are as of 6/1/2023 and are subject to change.

Accelerated Provisions³

As the certificate owner, you can receive an advance, or acceleration, of a portion of the death benefit under your certificate, if the insured is diagnosed with a terminal illness or if the insured has a chronic illness that has been certified by a Qualified Medical Practitioner.

- **Chronic Illness:** The Accelerated Death Benefit for Chronic Illness is payable when the insured meets the definition of Chronic Illness, generally having a permanent loss of two activities of daily living (eating, toileting, transferring, bathing, dressing, or continence) due to loss of functional capacity, or requiring substantial supervision due to permanent severe cognitive impairment. In North Carolina and Washington, generally, Chronic Illness is any medical condition that requires continuous confinement in an Eligible Institution, where the Insured is expected to remain there for the rest of their life.
- **Terminal Illness:** In most states, the Accelerated Death Benefit for Terminal Illness is payable when the insured meets the definition of Terminally Ill, generally diagnosed with an illness that will result in death within 12 months (24 months in some states).

These benefits are not long term care insurance and may be used for any purpose. In many cases, these benefits allow access to more funds than would be available through a certificate loan or certificate cash surrender value. There is a fee taken from the Chronic Care Benefit. Consult with your tax advisor regarding a request for accelerated benefits. Certificate owners who have exercised the Accelerated Death Benefit for Terminal Illness benefit cannot use the Chronic Care Benefit. However, the Terminal Illness Benefit will still be available on the remaining face amount after a Chronic Care Benefit payment has been made.

The information provided is not written or intended as specific tax or legal advice. MassMutual, its subsidiaries, employees and representatives are not authorized to give tax or legal advice. Individuals are encouraged to seek advice from their own tax or legal counsel.

FOR IMPORTANT INFORMATION, PLEASE SEE THE BACK PAGE.

¹ Access to cash values through borrowing or partial surrenders will reduce the certificate's cash value and death benefit, increase the chance the certificate will lapse, and may result in a tax liability if the certificate terminates before the death of the insured.

³ Except in Washington and North Carolina, the acceleration of the death benefit is intended to receive favorable tax treatment under §101(g) of the Internal Revenue Code. Accessing other similar benefits may cause the per diem limit to be exceeded. The insured must be chronically ill or terminally ill, as defined in 26 USC 7702B. Certificate owners should seek advice from a tax advisor prior to requesting a benefit payment. Receipt of accelerated death benefits may be taxable. For group policies issued in Washington or North Carolina, the Chronic Care Benefit defines a chronic illness in accordance with state insurance requirements, and may be taxable, as the state prescribed definition differs from the federal tax law definition.

An acceleration of the death benefit will reduce the certificate's death benefit, any cash value and any loan values. The certificate's premium payments will be based on the reduced amount of insurance at the current rate. There is no premium required for either the chronic care or terminal illness benefits, however, there is a fee if the chronic care benefit provision is exercised. The fee for the Chronic Care Benefit is a present value adjustment shown as a percentage of the Eligible Amount for the Chronic Care Benefit. The percentage depends on the Insured's age at the time the benefit is exercised: 18% for ages 45 and above; 27% for ages 44–35; 36% for under age 35. In the situs states of Kansas, Minnesota, North Carolina and Washington the term "fee" is replaced with "Actuarial Discount." For Montana, "fee" is replaced with "Reduction."

The product and/or certain features may not be available in all states. State variations will apply. **The Chronic Care Benefits is not available in MA. This material is not for use in CA or NY.**
